

# BöttcherPro Calciumfix

## Decalcifying Gel

### Uses

Cleaning paste which removes stubborn calcium contamination. BöttcherPro Calciumfix solves glazing, which results from paper lint residues.

### Characteristics

- based on solvents, acid and auxiliaries
- flash point > 61 °C
- water miscible, free of aromatics and CFC's
- good cleaning performance for removing calcium contamination and paper lint residues
- restores the original roughness and colour pick-up of the rollers
- easy application by tube
- regular application (once weekly) prevents calcium built-up on ink rollers
- prolongs roller life
- may also be applied to ink rollers for UV printing (EPDM)

### Application

After washing with e. g. „Böttcherin Blue“ or „Böttcherin 6003“, apply BöttcherPro Calciumfix easily from the tube on the roller, with the roller running slowly. The dissolving process will be completed after 3 to 5 minutes, then the roller should be washed as follows:

- with water and/or with cleaning agent

for manual cleaning and for use in automatic washing devices.

Repeat as necessary. Regular application of BöttcherPro Calciumfix (once weekly) prevents calcium build-up on ink rollers effectively.

### Marking

BöttcherPro Calciumfix is classified and marked according to EC-Directive 88/379/EEC - in its latest version. It is not classified as a dangerous good in the sense of national and international transport regulations (GGVSE - ADR/RID - GGV See/IMDG).

## Fountain Solutions – *BöttcherFount*

- Fountain solution for sheet-fed offset printing
- Fountain solution for newspaper printing
- Fountain solution for heatset presses

## Washes– *Böttcherin*

- Washes for use in automatic washing units in sheet-fed offset printing
- Washes for use in automatic washing units in sheet-fed offset presses built before 1995
- Washes for use in automatic washing units in heatset presses
- Washes for use in automatic washing units in newspaper printing
- Filterable washes
- Washes for daily manual cleaning
- Special washes for occasional manual cleaning

## Printing Aids – *BöttcherPro*

- Cleaning pastes
- Offset spray powders
- Roller protection pastes
- Plate chemicals
- Other products

## Accessories And Supplies

- Cleaning cloths
- Other accessories and supplies
